Picture logo quiz answers level 50

The logos are slightly modified and you will have a hard time figuring some of them out because some logos in this quiz game are not so well known and only a few people will recognize them. Image Test: Logos has more than 950 logos/levels to solve, and most of them are easy to solve, but some are not. On this page I put a list that contains all the correct answers for each logo in Picture Quiz: Logos. You need to solve a predefined number of logos on each level to unlock new levels. 1:06 AM Posted by admin with 3 comments | in Picture Quiz: Logos Picture Quiz: Logos is another popular logo guessing game made by Timeglass Works. Just look up the level number you are stuck on and you will see the correct answer immediately.
