These ready-to-use templates can be easily edited and printed. Newspaper Article Summary Questions readwritethink.org If you are looking to summarize the article from the newspaper and also want to raise questions about the same then the template is ideal for that. Be it a newspaper article of a book, with the help of these templates you can easily summarize them. All the user needs to do is download the template, open the downloaded document in Microsoft Word or any other similar program and make the necessary changes to the layouts, titles, headlines, pictures, and articles. This template also guide about what are the key points to remember while summarizing the article. Once the template has been edited, the user can either directly print out the newspaper template Word document or email the newspaper article template to the printer. The designs of these templates are professional looking and some of them quite closely resemble the newspapers that are printed by a news publishing agency. Article summary template is the miniature version of the long and detailed content of a document. You may also see A [Newspaper Headline Templates](#) Free Student Newspaper Template for Class Room This newspaper template follows a serious conventional newspaper theme that offers more space for the elaborate news stories, without much heed to the additional bells and whistles like huge ornate borders for the newspaper title on top. You need to get an appropriate layout, decide whether you want it to be black and white or colored, and also decide other vital design features. You may also see A [School Newspaper Templates](#) Amazing Breaking News Paper Template The newspaper template has articulated the typical illustration of any popular daily bustling with several news stories and relevant pictures. Publishing a newspaper from scratch can be tough. Pick or make a newspaper design template that has all-round qualities.
